WHEN YOU WRITE A STORY

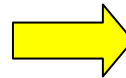

Tips for Developing the Plot:

- ✓ Good writers plan and develop their story's characters, setting, and plot
- ✓ Developing your main character and the setting
- ✓ Decide what problem or conflict your main character will attempt to solve. A difficult problem or conflict can add suspense and excitement to your story.
- ✓ Outline the main events of the plot.
- ✓ Think of any clues or twists you want to include in the plot.

Does the setting have an impact on your plot?
Include important details to make the
time and place of the story come alive.

- ✓ How will the final resolution of the problem or conflict occur? How do your characters grow or learn in the end?
